

Away Travel Season 2023/24

Our aim is to provide an alternative option for fans to travel to away matches. We have succeeded in running coaches to all away games so far this season, including Blackburn Rovers in the FA Cup. We have also provided additional coaches running at different times when there have been rail strikes.

Our away match to Stevenage was called off whilst we were in the ground and thanks to sponsorship, we were able to offer a £5 discount for the return trip in February to people that had travelled with us the first time.

We would like to place on record our grateful thanks to East Sussex U's, Worcester U's and the CUFC Lottery for their continuing support again this season and also to Andrew Harper-Scott for his donation. Although there has been an increase in the costs of the coaches, with their support we have been able to keep prices the same as last season, with the exception of a handful of trips and to run at break even.

This season we have so far sold in excess of 1500 seats. Our service caters for on average 10% of the away attendance.

Thank you to all our passengers for using our service and Greys of Ely for being so professional and flexible with our bookings. Thanks also go to Dave Matthews-Jones, my side-kick, without whom this would be considerably more onerous, and to Richard Toombs Carl Badcock, Anouska Wright, Alex Nix, Chris Casey, Ciarran Sell and Tom Walker for their help with stewarding various coaches, ensuring our good service is maintained and finally to Terry Wilby for helping me to take bookings on a match day.
